

Monitoring Prism Sheet with Magnetic Target

TT-0M

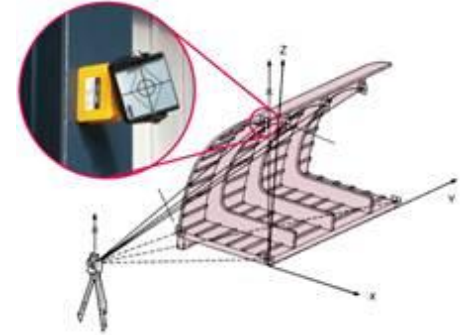

■ 360 Degree Rotating

We designed TT-0M rotating flexibly at any angle. Smooth and stable rotating by using metal and PVC material washers.

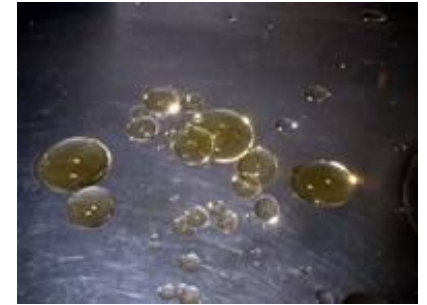

■ Strong Magnet

TT-0 can be attached any metal structure by using strong magnetic material. It can provide best solution for structure not able to be damaged.

■ For Oil Surface

When using target sheet on oily surface, it doesn't stick firmly. However TT-0M can be attached even harsh condition.

■ SPECIFICATIONS

Model	TT-0M
Dimensions	47 x 47 mm
Prism constant	0mm
