# RUST PROOF ANY-WAY

*Spray Paint & Enamel*

**Multisurface Paint  
Spray Any Direction  
(aerosol)**

Rust Proof Any-Way Spray Paint and Rust Proof Any-Way Enamel (formerly Rust Proofing Solvent-Based Paint) have been reformulated to adhere to any surface, including wood, metal, hard plastic, concrete, and masonry surfaces. The high-quality enamel coating provides corrosion protection and resists rust and environmental conditions, all with a high-gloss finish.

Apply in any direction - even upside down - with the Spray-Any-Way valve.

Over 30 vivid colors, including OSHA safety colors.
