

AOX-S rotating bucket mixer

Lump free and quickly mixed

AOX-S rotating bucket mixer with a high-speed central mixing tool. The mixing tub has its own motor for turning it; for thorough mixing results an edge scraper prevents deposits of material from collecting on the side of the tub. Max. 12 gal / 110 lbs, subject to viscosity;

- High speed mixing tool for lump free mixing results
- Edge and bottom scraper
- Safety cut-off
- Compact and mobile
- Included: 2 interchangeable mixing tools
