Backpack Lockers

Store backpacks, coats and totes in these sturdy wood lockers. The backpack units are available in both oak and maple veneer and can be ordered in sections from one to four. Each section contains two small cubbies, which measure: 10-1/2"W x 14"D x 10-1/2"H and a larger backpack cubby, which measures: 10-1/2"W x 14"D x 26"H. The locker section has a double hook mounted for hanging jackets and backpacks. The sections are divided with 3/4" veneered plywood and finished with a hard, UV finish. The back is designed to be anchored to a wall for stability. Black rubber base molding gives the locker unit a finished look.
