Light Tables

DESCRIPTION

FIXED LIGHT TABLE: A fixed angle (22 degrees) light table for your most important projects. Our light table is made of solid maple and maple veneers. It has a shatter resistant glass insert that gives a maximum diffusion of light with minimum glare and no hot spots. The overall top measures 32"W x 22"D and a lighted surface of 26"W x 17"D. It comes with a 120 volt electrical cord and energy efficient lighting. It includes a pencil ledge and minimal assembly is required. The overall measurements are: 35"H at the front, 43"H at the back, 32"W x 22"D.

ADJUSTABLE LIGHT TABLE: We've put fun into drawing with our light table! This table is constructed of a maple hard wood frame and a plastic laminate almond colored top. The shatter-resistant glass inset gives maximum diffusion of light with minimum glare and no hot spots. The top adjusts from 0-30 degrees and is equipped with a soft-close feature and a pencil stop. Easy to plug in with 120 volt electrical cord and includes energy efficient lighting. Tops size: 39-3/4"H x 44"W x 24"D"
