

36" Magnetic Aluminum I-Beam Level

Model #: 1736
UPC: #049448173600
MSRP: \$29.34

Johnson's 1736 magnetic aluminum level features an extruded aluminum frame with anodized finish. Top-read window simplifies viewing the level vial in horizontal applications. Acrylic vials are impact resistant and read plumb, level & plumb. Ideal level for general around-the-house projects and light construction uses. The tool's 36" length makes it long enough to span most job applications, but small enough to conveniently store.

PRODUCT DETAILS

- Strong holding magnetic edge allows hands free use on ferrous metal surfaces
- Rigid aluminum frame assures durability and accuracy
- Top-read window maximizes readability
- Durable easy-read acrylic vials are impact resistant
- Quik-Change™ replaceable cover plates and vials
- Shock absorbing end caps protect frame
