

MAKE YOUR MARK®

SHORT TAPE MEASURES

AUTOMATIC LOCK

PG_AL, 6 SKUs, 1 LENGTH

Our AutoLock Series is our fastest growing tape measure offering. The tapes feature blades that stay out without the user needing to engage a lock. A push button releases the blade and enables it to retract.

These tapes come with a rubber grip and are in a compact housing. They are available in a chrome coated or a high-visibility orange ABS case.

PG1825ALV

HV PG1825ALV

- Nylon-coating extends life of the blade
- Automatic locking blades stay out without engaging a lock.
- Stainless steel OR High-impact, high-visibility, Keson-Orange ABS case with rubber grip protects the blade and stands up to heavy use

HV = High Visibility Option
