

## Desktop Sit/Stand Laptop Workstation

- clamps to the work area and holds entire standing-height keyboard/monitor
- easily clamps onto existing workstation
- no knobs or levers to adjust
- entire assembly swivels out of the way to provide access to the desk surface when desired
- allows user to move their "work surface" from sitting-height to standing position with simple lift
- easily move workstation out of the way for access to desk
- slim and sleek profile for clean, front office look
