

Low Profile Desk Top Organizer

Cherry

Mahogany

Medium Oak

Only 12" high, this handsome unit provides plenty of storage space without obstructing your view. This is the ideal unit for anyone who greets the public on a daily basis. Each unit consists of a single full-width shelf with 6⁷/₈" clearance and a 5⁵/₈" wood top. Shelf can be sectioned with five 3³/₄" high shelf dividers that adjust at 5" increments. Constructed of furniture grade 3/4" compressed wood with a durable melamine finish. Solid finished back panel (with cord cut-outs) assures maximum strength and allows placement in open areas. Two 9" x 11¹/₄" literature trays can be mounted on left or right side of organizer. Organizer can be assembled with or without top. Tight fit and easy assembly are assured with quick-lock fasteners. Available in Cherry (CY), Mahogany (MH) or Medium Oak (MO).
