

29" Wood Desk Top Organizer

Cherry

Mahogany

Convenient 29" width leaves plenty of surface space for computer components, fax machines or printers, while providing convenient storage and organization for books, forms and letterhead. Unique slide-out trays allow easy access to literature and supplies. Furniture grade $\frac{3}{4}$ " wood cabinetry with high-grade melamine finish. Assemble with or without the $\frac{5}{8}$ " wood top. Fully finished back panel provides privacy and allows placement in open areas. Includes two 17" x 11 $\frac{1}{2}$ " shelves for maximum storage and organizing space (lower shelf is adjustable in 2 $\frac{1}{2}$ " increments). Literature sorter includes a fixed 9 $\frac{1}{2}$ " x 11 $\frac{1}{2}$ " wood shelf, three molded plastic slide-out trays for easy access to letter size literature and a Pull-Out Organizer Tray. Cord cutout in the back panel. Pull-Out Organizer Tray features built-in tape dispenser, 3" x 3" Post-It® Notes compartment, two front bins and two pencil bins. A tight fit and easy assembly are guaranteed with cam-lock fasteners. Available finishes in Cherry (CY) or Mahogany (MH).
