

Value Mate® Bookcases

Imagine a Place that gets you

Strong steel exterior and shelf construction together with a solid fiberboard back make these bookcases the best value on the market today. Plastic snap-in radius corners make assembly easy and add to the overall strength of the bookcase. Choose from printed steel in Medium Oak and Cherry or baked enamel finish in Black, Gray or Sand. 12" deep shelves accommodate 3-ring binders and oversized materials and adjust in 1" increments during assembly (bottom shelf does not adjust). In addition to fixed top and bottom shelves, models 7173 and 7174 have one additional fixed shelf. (Fixed bottom is counted as a shelf.) Easy assembly with quick-lock fasteners. Specify color: Medium Oak (MO)*, Cherry (CY)*, Black (BL), Gray (GR) or Sand (SA).
