

# Bomber 3.1™

Be Seen... Be Safe... Be Warm...

## The Bomber 3.1 ANSI 107 Compliant High Visibility Insulated Jacket with Removable Liner

The removable quilted liner system provides warmth, comfort and versatility for varying weather and work conditions.

- ANSI/ISEA 107 Class 3 compliant, 100% waterproof jacket for high visibility.
- Fluorescent yellow-green background material for excellent daytime visibility.
- 2" silver reflective tape reflects light for 360° nighttime conspicuity.
- 140g removable black quilted polyester liner provides warmth, and can be worn as a stand alone work jacket.
- Shell is made of 210 denier polyester for great wear.
- There are 5 exterior and 3 interior pockets in the shell, while the liner jacket has 2 exterior pockets for added convenience.

**Ideal Applications:** For use in environments where high visibility and warmth are desired for wearer safety and comfort.

Engineered for superior performance in diverse weather conditions.
