

Mobile Generator

WSP8

- All steel construction
- Light and sturdy design
- Durable powder-coat finish
- Dual 2 1/2" pintle 2" ball tow hitch
- Torsion axle, wide wheel base

- All aluminum heavy-duty radiator
- 50 gal. heavy-duty steel fuel tank, large filler neck, electric fuel pump
- Standard fork pockets and pick point
- Bolt-on fenders for easy replacement
- Optional equipment: Sound attenuation, Arctic package (block, oil pan and battery Heaters), Manual emergency shut-off device, Extended life oil filtration system, Spare tire with mounting kit, axle locking bar

Versatile power for the job site

Specifications

Model number	WSP8 / WSP8T - three phase
Standby rating	7.2 kW @ 1 power factor
Prime rating	8.0 kW @ 1 power factor
Frequency/Phase	60 HZ/single or three
Alternator	Mecc Alte
Voltage	120/240 or 120/208 or 277/480
Amperage	
@120/240 1 phase	66.7/33.3 A
@120/208 3 phase	22.2 A
@277/480 3 phase	9.6 A
Engine model	Kubota D1105
HP	13.6
Engine type	1800 RPM, 3 cylinder, 4 cycle
Emission certification	Tier 4 final
Battery	12VC, 550 CCA
Fuel tank capacity	50 gal. (190 L)
Fuel consumption @50% load	110 hours
Control Panel	Hour meter
	Receptacles (varies based on voltage required)
	Circuit breakers
	Fuel gauge
Sound Level @ 23ft (7m)	71 dBA
Dimensions, L x W x H	133 x 55 x 59" (338 x 140 x 150cm)
Dry Weight	1300 lbs. (590kg)
2 year/2000 hour warranty (whichever comes first)	

Wanco's WSP8 Mobile Generators are the ideal choice when you need to have a reliable power source.

Unsurpassed quality, engineering and value, paired with a multitude of features and options, make this generator perfect for a wide variety of applications.
