

# How to maintain your Flatware Chest.

1. Do not place or store the chest in a damp environment.
2. Do not expose the chest to direct sunlight for a prolonged period.
3. Keep the Leatherette Flatware Chest dry at all times.
4. The interior of the chest is a wood structure, so be sure to handle it with care.
5. To clean, use a leather cleaner and a soft cloth or sponge, and apply evenly to the leather.
6. After the cleaner has dried, use a cotton cloth to gently polish the leather to achieve a smooth and shiny finish.
