HAND-Y TOWELS

VOC: 0.5%

PRODUCT NUMBERS: 5021 75-TOWEL DISPENSING TUB
5022 75-TOWEL REFILL POUCH

I. GENERAL DESCRIPTION

Description: A general purpose pre-moistened cleaning towel. This convenient cleaning towel is nonflammable, contains no harmful ingredients, and cuts through grease and oil quickly.

Benefits: Hand-Y Towels meet the South Coast Air Quality Management District Regulations on VOC's. VOC content (0.5%). Towels are lint free and need no water. This product requires no rinsing, leaves no residue and dries quickly. Removes dirt, heavy grease, oils, tar, asphalt, inks, wax, lubricants, and adhesives.

Applications: Cleaning uses include tools, equipment, plastics, metals, hands, painted surfaces, vinyls, work surfaces, etc.

Directions: Remove lid from tub. Lift flap in center of lid and insert loop through 'X' opening in lid. Thread center wipe through 'loop' and pull it back through the lid. Replace the lid, pull out exposed wipe, and snap off one towel. Snap center flap down to keep towels moist. Remaining towels will follow for next use. Close re-sealable lid to maintain moisture and integrity of towels. Open and unfold cleaning towel to full size, 10 x 12 inches, and begin cleaning. **Refills:** Remove lid from the empty tub. Tear or cut the top of the refill pouch where indicated on the pouch. Insert pouch into the tub, do not remove the towels from the pouch. Follow directions above for threading the towels through the lid.

Limitations: Please refer to Safety Data Sheet for specific information on material hazards, etc. Always test product on acrylics, vinyl and sensitive surfaces, in a small hidden area before use.
